

QUALIFICATION CRITERIA FOR 2021

Covid-19 related update to FEI Vaulting Rules and qualification criteria

Following a recommendation from the FEI Vaulting Technical Committee, the FEI Board approved on **13 April 2021** a Covid-19 resolution related to Article 703.2.1 of the FEI Vaulting Rules regarding CVI qualification criteria for Individual and Pas-de-Deux 2* and 3* Competitions, to effectively lift/remove the "mandatory" qualification criteria as athletes have not had sufficient opportunities to comply with the star rating qualification procedure.

Note that this follows on from the resolution approved in 2020 to waive the qualification procedure (qualification scores) for the 2021 FEI Vaulting World Vaulting Championships for Senior and Juniors 2021 and the FEI will rely on the input/expertise of the National Federations to ensure that their athletes are up to the standard to compete in each level, in CVIs and at the Championships.
