III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>

The Teams are mixed teams with Athletes from different age categories, from Children/Pony Riders to Seniors.

The starting order of the teams is determined by an ordinary draw.

The starting order of the Athletes is: first start all Pony Riders, then all Children, then all Juniors, then all Young Riders and finally all Seniors.

The best ranked Athlete in his category will receive points equal to the number of teams which take part in the competition. The second best placed Athlete receives points equal to the number of teams minus one and so on.

The winning team is the one having the highest total points of their three (3) best Athletes. The second best team is the one with the next highest total points and so on.

If there is a tie for any place, the deciding factor will be the accumulated final score in % of the three (3) best Athletes from the team. If there is still a tie, the teams will be placed equal.

2.3. Team manager

Every team has to declare a Team manager. The Team manager has to be an adult. The Team manager could also be an Athlete member of the team. The Team Manager is the spokesperson and designated representative of a team.

2.4. Declaration of the teams

The Team Manager will declare the name of his team and its members at the technical meeting, but not later than thirty (30) minutes following the horse inspection.

Substitution of Athletes and/or Horses is allowed not later one (1) hour before the start of the team competition. This substitution request has to be presented to the Ground Jury President for approval.

If an Athlete is entered with two (2) different Horses in different categories, the Athlete can decide in which EEF Team competition they will take part. Such Athlete can only take part in one (1) EEF Team competition, but the Athlete is eligible for individual ranking with both Horses in both categories.

3. EEF Dressage Evolution League Final

3.1. Participation

The top two (2) ranked teams from each qualifying event qualify for the EEFDEL Final.

If a team which is already qualified cannot take part at the Final, it will be replaced by the next best ranked team in the RQ, not already qualified for the Final, where the team achieved qualification.

If this team has achieved qualification at more than one (1) RQ, it will be replaced by the next team at the first RQ where the qualification was achieved. If this next team cannot take part, then the qualification for the Final will go to the next team at the second RQ where qualification was achieved and so on.

Teams will have the same Names as they had at the RQs.

In order to be eligible to participate in the final, each Team must include at least two (2) Athletes who participated for the Team in at least one (1) RQ.
