Who we are?

- software company from Poland
- since **2004**
- create solutions for all platforms (desktop, web, mobile)
- since **20 years** we make **software for equestrian**

HUBERTUS

- since **10 years** we make

international equestrian web platform

LIVEJUMPING.COM (*HUBERTUS - ZawodyKonne.com*)

Our solution:

- comprehensive service for equestrian events
(start lists, results, timing, printouts, live data, mobile, remote screens, led matrix, tv layouts, show office)
- **Jumping, Eventing, Dressage+Para, Driving, Endurance, Vaulting and others**
- **international & regional**
- we handle **all events** in **Poland** and **Czech**
- **official system** in **Poland, Czech** and **Lithuania**
- also in **Slovakia, Latvia, Romania** and others

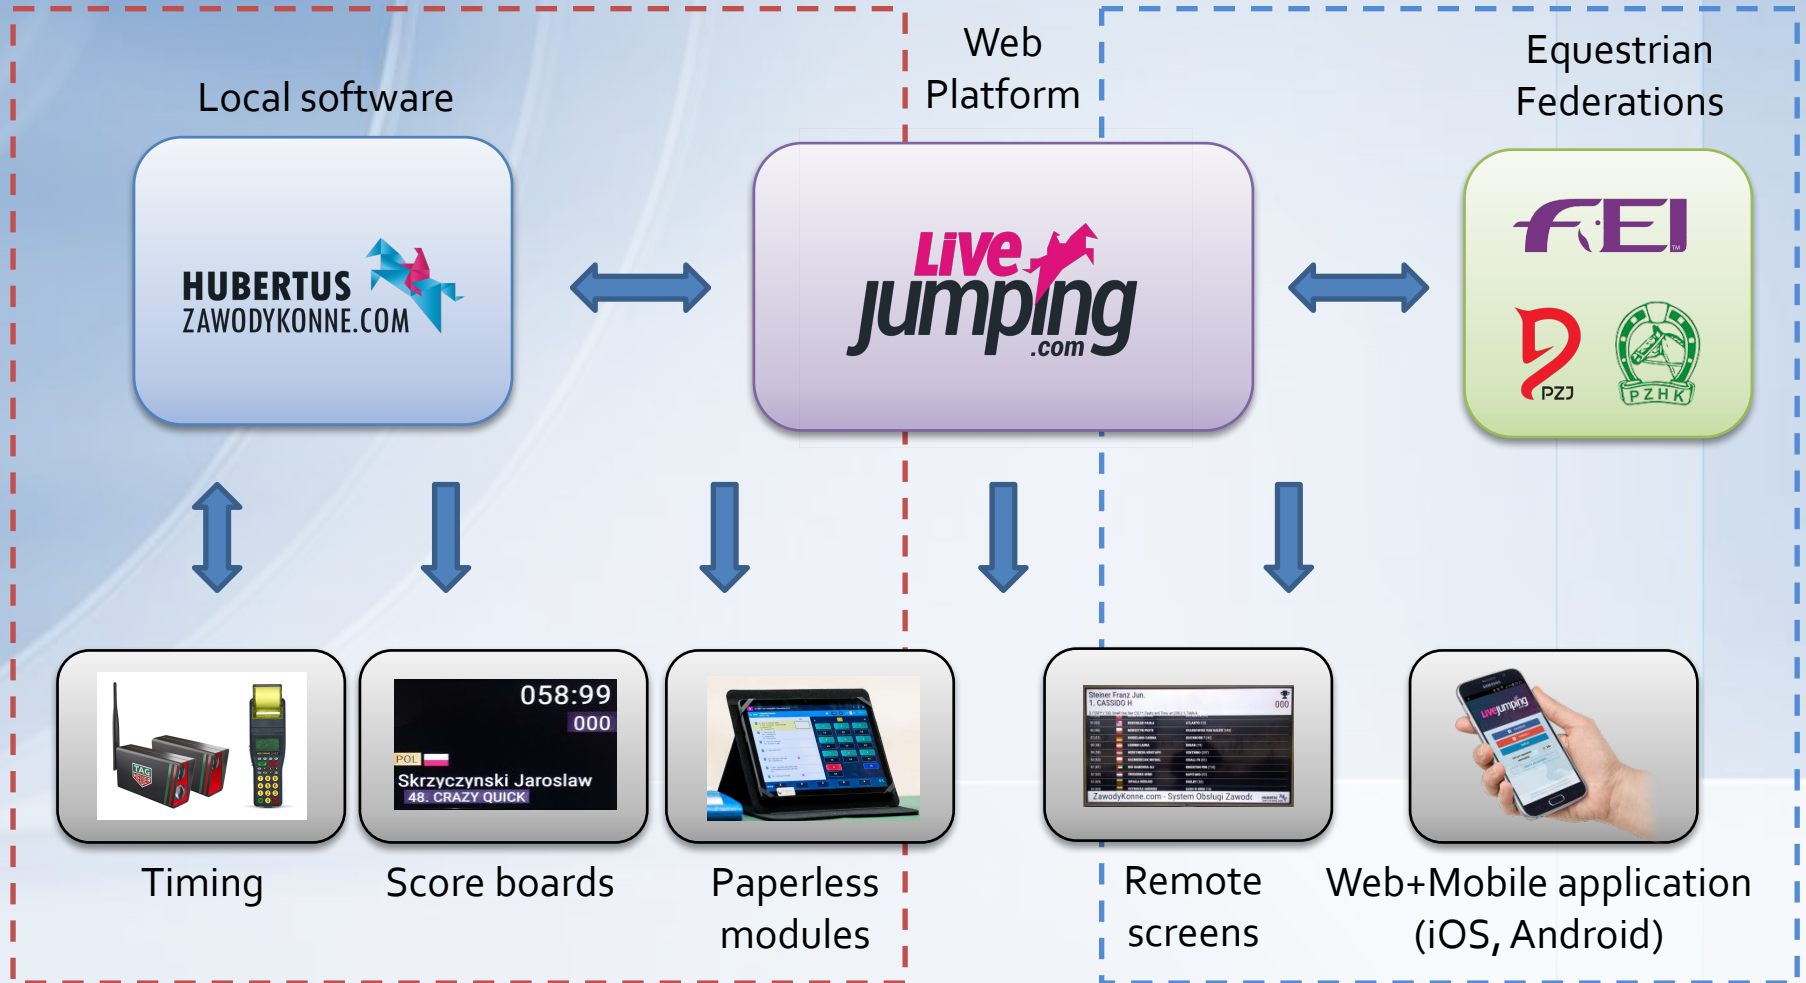

Our solution:

- integration with **FEI & Polish/Czech/Lithuanian Equestrian Federation**

- > **1000 events** per year
- > **70 000** electronic entries per year
- > **10 000 000** website visits per month
- > **60 000** registered users, **> 150 000** users per month

Ecosystem:

Event Organizer, Scoring & Timing

Event Organizers, Federations, Riders,
Trainers, Horse Owners, Visitors

Desktop software - HUBERTUS:

- offline, multi-user (SQL Server), MS Windows
- „one to rule them all” (jumping, eventing, dressage, driving, ...)
- „all in one” (event management, timing, scoreboard, printouts, data server)
- simple download, installation & update
- free demo version (polish, czech & english)
- one man can handle whole event 😊

(automation of tasks, useful tools)

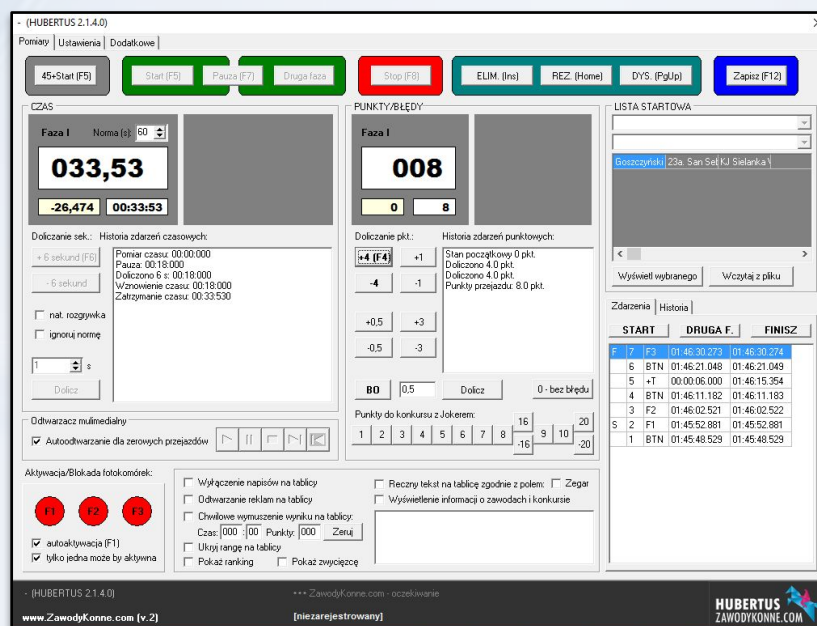

Desktop software - HUBERTUS:

- integration with LED boards over RS-232 or LAN
 - scoreboard on TV, Video Wall, mobile, web browser - we do custom layouts if needed

Desktop software - HUBERTUS:

- integration - timing systems over RS-232, LAN, USB
- ALGE, FDS Timing, Tag Heuer, Microgate, IC Control, Selmo, Sectro
- one interface to operate all systems

The screenshot displays the LiveJumping.com website interface. At the top, there is a navigation bar with a menu icon, the 'LiveJumping.com' logo, a search bar, and user options including 'all', a dropdown arrow, a magnifying glass, a bell icon, 'EN', and a three-dot menu. Below this is a dark blue header with five buttons: 'Timetable' (pink), 'Documents' (blue), 'Me' (blue), 'Entries' (blue), and 'Contact' (blue). On the left side, there is a dark sidebar with a user profile for 'Bartosz Wawrzyniak' (TEAM LiveJumping) and a list of menu items: Home, Events, Equestrian catalog, Info, Offer, Account, System, and Help. At the bottom of the sidebar are buttons for 'Turn on notifications' and 'Install the app'. The main content area features a large video player showing a horse and rider in an outdoor setting. A blue and pink overlay at the bottom left of the video identifies the rider as '4. HERBERT Morna Madis EST'. A pink and blue overlay at the bottom right shows the time '37:00' and a score '0'. The background of the video shows a grassy field with a fence and spectators.
