III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The **Long version** of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

Qualified athletes

Automatically Qualified

Automatically Qualified are those Athletes who are pre-qualified in accordance with Art. 261 of the FEI Jumping Rules. Should a pre-qualified Athlete be placed among the best 30 after the two rounds of the Nations Cup Competition, their qualification place in the Nations Cup Competition will not be given to another Athlete.

The following are automatically qualified for the Grand Prix at CSIOs, if present as official team members or individual:

The individual Jumping medal winners (Athlete/Horse combinations) of the last Olympic and Pan American Games, of the last World and Continental* Championships (*provided the competitions at the Continental Championship were conducted in accordance with the competition format and at the maximum height of obstacles established in Articles 323 through 327 of the Rules for Jumping Championships and Games) and the first placed Athlete/Horse combination in the last FEI World Cup™ Jumping Final.

Nations Cup Athletes

The 30 best-placed Athletes following rounds one and two of the Nations Cup Competition n.7 are qualified to take part in the Grand Prix Competition. Those equal on penalties for 30th place are separated by their combined times in the first and second rounds of the Nations Cup Competition. In case of a further tie the Athletes concerned are permitted to take part in the Grand Prix.

Non-Team Athletes and Individuals

The 10 best-placed Athletes, taken from the non-team Athletes plus individuals, in the 3rd qualifier, Competition No 2 are also qualified for the Grand Prix.

Completing the Quota

The remaining quota of 60 places in the Grand Prix Competition will be completed with Athletes from the 1st qualifier, Competition No 1.

All Athletes qualified in a Grand Prix at a CSI must have completed, with their Grand Prix Horse, the initial round of at least one competition prior to the Grand Prix. Please refer to Art 261.4.4 for the list of FEI competitions that may count for fulfilling the eligibility requirement.

FEI Olympic Regulations Art. 632.6

Selected Nations Cup, Grand Prix and FEI Jumping World Cup™ Competitions must meet the following specifications:

The Composition of the course includes:

- Minimum 12 and maximum 14 obstacles;
- Minimum one triple and one double combination (three doubles are not allowed);
- The triple combination must have at least one oxer and at least one one-stride distance either from A to B or from B to C;
- Two liverpool obstacles, one vertical and one spread. If the course includes a water jump, a minimum of one liverpool will be allowed;
- Approximately 50% of the efforts must be vertical obstacles and 50% must be spread obstacles (e.g. oxer, triple bar, Swedish oxer, narrow oxer etc.). Nevertheless, no more than 55% of the efforts may be vertical and no more than 60% of the efforts may be spread obstacles, including the water jump if there is one (NB: a water jump is compulsory in Nations Cup Competitions, refer to JRs Art. 264.3);
- Depth of cups for the top pole: minimum 50% of cups must have a depth of 18 mm, for special obstacle material cups may be shallower (refer to JRs Art. 208.6); depth of cups maximum 20 mm;
- A minimum course length of 400 meters with a minimum speed of 375m/min.

At least three of the following five obstacles must be included in the course:

- A set of planks on flat cups or a vertical of poles with a plank on flat cups as the top element;
- One triple bar;
- One wall;
- One narrow vertical or spread obstacle with frontal width between 2.50 to 3.00 m;
- One gate.

At least three of the following recommended criteria must be included in the course:

- Bend or straight line of up to six strides between two single obstacles;
- One line between two obstacles should be a forward line up to five strides;
- One bend or straight line up to seven strides with minimum three obstacles;
- Double combination in a bend or straight line with an obstacle before or after at maximum seven strides;
- A related distance bend or straight line of up to eight strides leading to the triple combination or up to seven strides following the triple combination;
- One of the combinations must have a related distance (maximum seven strides) with an obstacle (before or after the combination) in a straight line.

Dimensions of the obstacles:

	Comp. at 1.55 m	Comp. at 1.60 m
<i>The minimum height of obstacles is:</i>	1.45 m	1.50 m
<i>A minimum number of verticals with a height of at least:</i>	4 x 1.55 m	3 x 1.60 m
<i>A minimum number of spread obstacles (excl. triple bar) with a height/spread of at least:</i>	3 x 1.50/1.60 m	GP/WC: 3 x 1.53/1.60 m NC: 2 x 1.50/1.70 m
<i>One oxer in the triple combination needs to have a minimum height/spread of:</i>	1.50/1.60 m	1.52/1.60 m
<i>Triple bar with minimum height/spread of:</i>	1.50/1.90 m	1.55/1.90 m

For Nations Cup Competitions at CSIO4 Events, the above requirements relating to the compulsory four verticals of 1.55 m and three spread obstacles (excl. triple bar) with a minimum height/spread of 1.50/1.60 m take precedence over the requirement established in JRs. Art. 264.3.1 to have two verticals of 1.55 m and two spread obstacles (excl. triple bar) with a minimum height/spread of 1.50/1.60 m.*

For Nations Cup Competitions at CSIO5 Events, the above requirements relating to the compulsory three verticals of 1.60 m take precedence over the requirement established in JRs. Art. 264.3.1 to have two verticals of 1.60 m.*

The Course Designer must clearly identify on the course plan of the Competition the specific obstacles that must be included as per the mandatory requirements below, e.g. planks, wall, gate, narrow obstacle, etc.

The Foreign Judge is responsible for ensuring that the course is built to the required dimensions and must confirm to the FEI through the Foreign Judge Report whether or not the course requirements have been met and must upload/sent the course plan including all heights/spreads, obstacle information and distances following the Event.

8. EQUINE ANTI-DOPING AND CONTROLLED MEDICATION PROGRAMME (EADCMP). FEI VETERINARY REGULATIONS, CHAPTER VII

8.1. SAMPLING. FEI Veterinary Regulations, Chapter VII

All horses competing at FEI Events may be subject to sampling for the presence of Prohibited Substances in accordance with the Anti-Doping and Controlled Medication Regulations (EADCMRs). Horses may be selected for sampling in accordance with obligatory testing, targeted or random sampling procedures. Refer to FEI Financial Charges for details of fees relating to Equine and Human Anti-Doping program (EADCMP), which OCs/NFs have the right to charge to the athlete (applicable for all FEI events worldwide).

8.2. ELECTIVE TESTING. FEI VETERINARY REGULATIONS ARTICLES 1058

Elective Testing may be carried out prior to an Event to check for the presence of Prohibited Substances. Please refer to <https://inside.fei.org/fei/cleansport/horses> for information and details.

XIII. HUMAN ANTI-DOPING

Athletes can be tested at any FEI Event, by the FEI or by other Anti-Doping Organisations with Testing jurisdiction. Organisers will have the responsibility to provide facilities and staff/volunteers to facilitate such Testing if requested by the FEI as outlined in article 22.3 of the FEI's Anti-doping Rules for Human Athletes (ADRHA).

The ADRHA rules are published on the FEI website at <http://inside.fei.org/content/anti-doping-rules>.

XIV. ADDITIONAL INFORMATION

1. INSURANCES AND NATIONAL REQUIREMENTS

Equestrian sports involve inherent dangerous risks. To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

1.1. ATHLETES, OWNERS AND SUPPORT PERSONNEL

1.1.1. Personal Accident and Health Insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

1.1.2. Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

1.1.3. Press Equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. Members of the Press are advised not to leave any equipment or personal items unattended.

1.2. ATHLETES AND OWNERS

1.2.1. Third Party Liability Insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

1.2.2. Additional Liability Information

In case of invalid insurances provided by the athletes, the CR of the OC does not provide any coverage to eventual damages or any accidents (fire or theft) occurred before, during or after the competitions. Furthermore, horses, athletes and their personal belongings are at their own responsibility during the entire event.

1.2.3. Horse Insurance

As an Owner you should ensure that your Horses are adequately insured against any injuries or illnesses they may sustain while participating at a FEI Event.

Space for organiser to include reference to National Laws when necessary

2. PROTESTS/APPEALS

To be valid, all Protests and Appeals must be made in writing and accompanied by a deposit of CHF 150.- or equivalent, as mentioned in the FEI General Regulations (Art. 161-162) available at the following link:

<https://inside.fei.org/content/general-regs-statutes>

3. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

4. STEWARDING

- If an athlete is uncertain as to whether the boots they intends to use during an event are allowed, they or their representative should show the boots to the Chief Steward for their opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is

mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.

- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask their groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and replace the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

5. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

6. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

7. ADDITIONAL INFORMATION FROM THE OC

Free movement of dogs in the whole facility is strictly prohibited. Violation of this regulation will be penalized by a fine of 100 EUR and 200 EUR after repetitive violation.

In case of a tie for the 12th place in a competition with 12 to 48 starters, the prize money foreseen for the 12th place will be divided equally among the athletes concerned.

For Competitions run in two rounds with more than 12 starters in 2nd round:

OCs that indicate in the schedule that a specific number (that is more than 12) of athletes will return for the second round will be permitted to distribute the prize money for that competition among all the athletes taking part in the second round, even if the second round is followed by a jump-off in case of a tie on penalties for first place after the second round.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

Space for organiser to include details if necessary

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first twelve (12) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12th) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13th) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12th)

9. MAXIMUM NUMBER OF STARTERS PER COMPETITION

***Annex VI FEI Jumping Rules:**

Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must split the Competition into the number of groups required to ensure that there are no more than 100 starters in any group, and provide the same amount of prize money as indicated for the original Competition for each group. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

OCs may apply either of the following methods for splitting the Competition:

The competition is split into the number of groups required before it starts. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group. If it is not possible to have groups of equal size there may be a different number of starters in each group;

OR

The competition is run as one single competition and split afterward into the number of groups required to ensure that there are no more than 100 starters in any group, and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. *NB: In this case separate results must be sent to the FEI for each of the groups, e.g. results for Competition 1a and for Competition 1b (and for Competition 1c if the original Competition was split into three groups, etc).*

In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the final number of starters that determines whether the Competition must

be split.

As all FEI World Cup™ Competitions have the status of a Grand Prix, the minimum prize money requirements for the Grand Prix are applicable to the FEI World Cup™ Competition. For CSI-W Events with a Grand Prix Competition in addition to the FEI World Cup™ Competition, the minimum prize money requirements for the Grand Prix apply only to the FEI World Cup™ Competition; the Grand Prix Competition at such Events cannot offer more prize money than the prize money offered for the FEI World Cup™ Competition.
